Our Workshop and Showroom is readily accessible from Central London by car, taxi or public transport.

**By Road :** Just south of Clapham Common and to the east of Balham High Road, Grange Mills is a small commercial estate set back from the south side of Weir Road. There are two entrances, the main one set back beside 66 Weir Road, and an unmarked one, almost opposite Big Yellow Storage and directly to the left of Howdens. This latter is the most direct one use in order to reach us. Do not confuse Grange Mills with the more obvious Zennor Estate.

**By Tube, Rail or Bus :** We are a 10 minute walk from Balham Underground and Rail Stations. (12 minutes from Victoria on the Overground or 16 minutes from Waterloo on the Northern Line) and a slightly longer walk from Clapham South Underground. Buses G1, 50, 155, 249, 255, 315, 355 and 690 stop in the vicinity.

**Access :** Parking on site is usually possible. Deliveries are straightforward, but please contact us for special instructions regarding large loads and/or articulated trucks.
