## Viper Mosaic Original Artwork

Based on a Sri Lankan viper, in many cultures the snake is a symbol of renewal. This triptych mosaic is made of hand-cut, semi-precious stone and gold-leafed, glass tesserae, interspersed with waterjet cut details punctuated with small sculpted features.

DIMENSIONS	MATERIAL	PRICE
1150 x 900mm	Glass mosaic with metal frame	£43,575 + VAT

## Pulp Generation I Original Artwork

These artworks were created entirely from recycled material. Colour-stained shredded paper produces a simple yet beautiful texture with variations in hue, a surface that works on its own or with a design applied. These pieces have been further enhanced using precious gold leaf.

## Volcan III

### Original Artwork

"Volcan III" is the story of the elevation of a simple decorative surface to an artwork, inspired by the effects on a bed of hand-textured clay as it slowly dries on a work bench. Cast in liquid metal and highlighted with gold leaf, the basic texture comes alive, responding beautifully to the variation of light and the changing position of the viewer.
