

DKT Artworks Location

Our Workshop and Showroom is readily accessible from Central London by car, taxi or public transport.

Access: Parking on site is usually possible.

By Road: Just south of Clapham Common and to the east of Balham High Road, Grange Mills is a small commercial estate set back from the south side of Weir Road. There are two entrances, the main one set back beside 66 Weir Road, and an unmarked one, almost opposite Big Yellow Storage and directly to the left of Howdens. This latter is the most direct one to use in order to reach us. Look out for the DKT sign at the entrance. Do not confuse Grange Mills with the more obvious Zennor Estate.

By Tube, Rail or Bus: We are a 10 minute walk from Balham Underground and Rail Stations (12 minutes from Victoria on the Overground or 16 minutes from Waterloo on the Northern Line) and a slightly longer walk from Clapham South Underground. Buses G1, 50, 155, 249, 255, 315, 355 and 690 stop in the vicinity.

Deliveries and Collections: Deliveries and collections are straightforward and we are able to load and offload by forklift. However, please contact us for special instructions regarding access for large loads and/or articulated trucks. Regarding collections, the vehicle sent should be suitable to the item(s) collected. Crates weighing over 100kg are generally not suitable to be loaded into the rear of a panel van – a side loading or tail-lift vehicle should be sent. In an extreme case, if we consider it a risk loading or unloading an inappropriate vehicle, either to our personnel or to our finished items, we reserve the right to turn the vehicle away.
